Pine Creek Nutrition Services

MR. LEVI SCHWIETERMAN

Micronutrients

DR. KYLE THOMPSON

CSU, Fresno

MR. BEAU WILLIAMSON

Adisseo

Dear California Animal Nutrition Conference Attendees and Sponsors,

We are currently experiencing some of the most trying times, the likes of which most of us have never seen before.

The California Animal Nutrition Conference (CANC) Steering Committee has made the difficult decision to cancel the 2020 California Animal Nutrition Conference. The CANC Steering Committee strongly believes it is the right decision.

Further, canceling this year's CANC is consistent with current local, state and national recommendations/policies.

If you have already paid your sponsorship, first of all, thank you for your contribution. CANC is recognized as one of the premier animal nutrition conferences in the United States. The quality of the speakers and timely topics are a direct result of the strong financial support from members of our industry. If you would like your sponsorship money returned we will refund your money. If you would like us to credit your sponsorship toward the 2021 CANC, we are happy to do that as well. Please let Ann Quinn know how you would like us to process your sponsorship [ann@agamsi.com](mailto:ann@agamsi.com).

We look forward to seeing you all at next year's conference and wish you and your families good health and safety.

Sincerely,

Jennifer Heguy  
CANC Chair
