

Golden Bucket Entry Form

ABOUT

The Golden Bucket Contest is a friendly competition between GFIC attendees that spotlights projects that have been implemented at facilities that improved efficiencies, productivity or safety. Submitted projects will be displayed on a monitor at the convention for everyone to see. The winner will proudly display the coveted "golden bucket" award engraved with their company name at their place of work for the remainder of the 2022 year. The winner will also receive a \$100 gift card.

ENTRY AND RULES

Entries must be submitted online by completing the entry form by January 3rd. Entries must include a short description of the project including how the project came about, details of implementation and outcome of project. Please include pictures. Voting will be done at the GFIC and each attendee will be given one ballot to cast a vote for their favorite entry.

Submitted By: _____ Email Address: _____

Company: _____ Location: _____

Project Title: _____

About the Project (more details the better):

Calling all members to join the golden bucket winners club!
