### **CGFA Annual Membership Meeting Webinar • May 28<sup>th</sup> • 1:30 PM**

The California Grain & Feed Association (CGFA) is pleased to announce the 2020 Annual Membership Meeting will be held via Webinar on Thursday, May 28th at 1:30 PT and all members are invited to participate. The link below will provide you with the registration information to this complimentary Association webinar. We look forward to having you all involved and keeping us all in this together.

#### Meeting Agenda

President Adam Goltz, Balchem will call the meeting to order and give his President's Report and Overview of his year as President.

He will then call upon Chief Executive Officer, Chris Zanobini to give the Association Annual Report and Overview of the CGFA Activities and Accomplishments including those retiring board members, and newly elected members.

Next up will be our Legislative Advocate, Dennis Albiani to give the legislative report and update.

Adam Goltz, will then introduce the incoming President-Elect Meghan Herd, Associated Feed & Supply to give her incoming President's report and vision for 2020/2021

We will conclude with a Q & A.

## Dairy Stream Podcast Features Greg Ibach

GREEN BAY, Wis. — The newest episode of the Dairy Stream podcast features Greg Ibach, undersecretary for marketing and regulatory programs at the U.S. Department of Agriculture. Ibach's agency is at the center of the federal government's response to farmers who are trying to manage the unprecedented challenges brought on by the COVID-19 pandemic.

Ibach talks to Dairy Stream host Mike Austin about USDA's steps to help farmers and what he expects going forward. The episode was posted May 7. The podcast is co-produced by the Dairy Business Association and Edge Dairy Farmer Cooperative, sister organizations that fight for effective dairy policy in Wisconsin and Washington, D.C.

## Resource for Industry - CDFA Safe Animal Feed Education (SAFE) Program

The [Safe Animal Feed Education \(SAFE\)](#) program of California uses outreach, education, and a comprehensive Voluntary Quality Assurance program to lead the nation in ensuring a safe and wholesome supply of commercial feed. SAFE uses an approach that fosters voluntary compliance with the state laws and regulations to ensure the safe manufacture and use of commercial feed in a changing livestock feed market. This unique collaboration between SAFE and the feed industry benefits both the agricultural community and the consumer.
