Member Action Requested

Recently two ballots were mailed to the voting member on file for all CGFA voting member, one is the nominations for the 2020-2021 Board of Directors and the other is the proposed updates to the bylaws and articles of incorporation. We would appreciate your timely response in returning your ballots. The California Grain and Feed Association (CGFA) has been working to update its articles and bylaws to comply with current California law. To accomplish this, the CGFA Board has worked with an attorney specializing in nonprofits and has approved the proposed Restated Articles of Incorporation and new Bylaws. Please review the proposed Restated Articles and new Bylaws at <http://cgfa.org/membership.html>. If you need a hardcopy email Donna Boggs at donna@agamsi.com to request.

Resource for Industry - CDFA Safe Animal Feed Education (SAFE) Program

The [Safe Animal Feed Education \(SAFE\)](#) program of California uses outreach, education, and a comprehensive Voluntary Quality Assurance program to lead the nation in ensuring a safe and wholesome supply of commercial feed. SAFE uses an approach that fosters voluntary compliance with the state laws and regulations to ensure the safe manufacture and use of commercial feed in a changing livestock feed market. This unique collaboration between SAFE and the feed industry benefits both the agricultural community and the consumer.
