I wanted to bring your attention to an upcoming webinar on **Thursday, September 10<sup>th</sup> at 1:00 pm PST** presented by alliantgroup to discuss a powerful government incentive.

The R&D Tax Credit is the largest relief provision applicable to CGFA members. However, it is also the most overlooked federal stimulus. Many activities that you are doing daily could qualify you for this incentive, including but not limited to:

- Developing new feeds/feeding techniques for livestock
- Improving the harvesting equipment, techniques or cycle times
- Evaluation of new and different variable rate fertilizer applications
- Creating and experimenting with custom nutrient formulations
