

## Truck Dispatch Position

The Laughlin Group is actively looking to bring on a new truck dispatcher to join its transportation company, Laughlin Trucking Inc. The position has a starting salary of \$72k per year, plus bonus/commission. Other benefits include 401k profit share program, medical/dental/vision/life insurance, seven paid holidays per year, vacation/sick and bereavement leave. The position is in person at our main office in Carlton, Oregon. We are seeking candidates that have dispatch or truck logistics experience in the grain and feed industry.

The Laughlin Group supplies agricultural products to consumers throughout the eleven western states. Through its various companies, Laughlin Cartrell, Laughlin Trucking and Laughlin Orchards, the group has a proven track record of providing quality agricultural products and services for over fifty years.
