

Membership Application

A CGFA Membership is an investment in your future

Membership is an experience that enables you to cope with the challenges you face and to help you be successful.

GOVERNMENTAL RELATIONS

CGFA represents the grain and feed industry in Sacramento. CGFA has two registered lobbyists on staff and a technical director who play a key role in influencing decision-making in California on behalf of the industry. CGFA is involved in many issues including: agricultural marketing, transportation/trucking, air pollution laws and other environmental regulation, pesticide laws and registration, grain inspection, farm animal welfare and more.

INFORMATION

Disseminates up-to-date information on all activities relating to the grain and feed industry via weekly newsletter, "The Conveyor Current", special mailings and more. CGFA also publishes the Pacific Southwest Directory, a complete listing of those firms involved in California, Arizona, Hawaii, Nevada, Utah and the CGFA membership. CGFA publishes manuals on feed & ag supply liens, Injury and Illness Prevention & more.

MEETINGS AND EDUCATIONAL CONFERENCES

Provides opportunities for industry representatives to meet for social, business and educational purposes including the CGFA Annual Convention, Grain & Feed Industry Conference, California Animal Nutrition Conference, Key Management Conference, District Meetings, regular Environmental & Safety Seminars, and various other Association sponsored functions and seminars.

ECONOMIC SERVICES

CGFA offers to all members money saving insurance programs including: Worker's Compensation, Health and Major Medical, Dental, Disability and Accidental Life Insurance and Property and Casualty including product and general liability. CGFA also offers the daily Market Review News.

PROBLEM SOLVING

CGFA Committees and Study Groups provide a problem solving mechanism in the areas of feed manufacturing, transportation, environmental regulation and safety, grain handling, hay, dairy feed marketing and more.

PERSONAL ASSISTANCE

CGFA staff assist members daily on industry related matters.

ENVIRONMENTAL & SAFETY CONSULTATION

All members have telephone access to CGFA's Environmental & Safety consulting staff. CGFA staff has the technical expertise to answer most routine questions about compliance with environmental & safety laws pertinent to the grain & feed industry. Valuable information is just a phone call away. CGFA's environmental staff has experience in underground tank registration and removal, conducting air pollution risk assessments, Air Toxic Hot Spot Reporting, Storm Water Run-Off Regulation & Compliance, Conducting Phase I & II Environmental Audits, SB 198 Injury & Illness Prevention Planning, Hazardous Materials Storage & Handling and more. CGFA operates a Stormwater Monitoring Group program. Participation in the program is available to all members.

WHAT IS CGFA?

The California Grain & Feed Association is a nonprofit agricultural trade association which has served the grain and feed industry since 1924. Although a pioneer, the Association has remained "youthful" in its approach and activities by emphasizing future needs rather than past accomplishments.

STRENGTH THROUGH UNITY

Those in the industry have many common interests and goals, making close communications within the industry increasingly vital. CGFA brings all segments of the grain and feed industry together as a strong, united voice.

HOW DO I BECOME A MEMBER?

Complete the attached membership application form and send with the appropriate dues payment to:

CGFA
1521 "I" Street
